Race Rules

- Each trolley/box cart shall have a driver and a team of supporters.
- There will be a restricted push zone at the top of the race course - trolleys and box carts can be pushed only in this zone and must then be let go.
- All drivers must wear approved safety helmets, closed-toe footwear, gloves long sleeves and pants or elbow and knee pads.
- Each race will have a maximum number of trolleys/carts, determined by the judges.
- Heats will be held in an endeavour to accommodate all trolleys/box carts and a final will be held to ascertain the overall winner.
- Trolleys and box carts may be entered in more than one class with appropriate driver/pushers.
- Trolleys/carts have one entry per class, per driver.
- The first trolley or box cart past the post is the winner.
- All entrants enter these races at their own risk. The driver and pusher or guardians of children will need to sign a waiver form before they will be able to race.
- All entrants must be the specified age as at race day - Sunday 3 September 2023.
- Race directions are at the discretion of the stewards and instructions are to be followed by entrants at all times.
- All children between the ages of five to 15 are only permitted to race in box carts (wheel size restricted to 300mm).
- All children under 16 years must be under parental supervision.

Trolley Specifications

- All trolleys and box carts must be available for compulsory scrutineering on Sunday 20 August at Old Blackpool School Hall between 10am to 1pm.
- Trolleys/carts must be home made and in a safe condition.
- Trolleys/carts must have effective brakes and be able to stop unaided.
- All trolleys/carts must have minimum of three wheels but no more than six wheels.
- Maximum trolley and cart length is 2.5 metres - no push poles.
- Rope steered trolleys must have a foot brake.
- There shall be no dangerous extensions or protrusions from the trolley or cart.
- All Young Guns Box Carts (children under 16 years old) are to have a maximum wheel diameter of 300 mm.
- Open Class trolleys are to have a maximum wheel diameter of 700 mm.
- The weight of all trolleys and box carts, without the driver, is limited to 70 kgs, no ballast allowed.
- Each new trolley/cart will be allocated a number. Numbers will be confirmed by judges on final safety inspection.
- The scrutineer's decision is final.
